

## St Anne's Pantry Report for 2019

Our Foodbank has been busy serving the people of Porirua who for one reason or another found themselves with not enough money left to buy food for their family.

We are fortunate that the other Churches (Anglican and Presbyterian) give food to the Foodbank.

K.C.A. (Kiwi Community Assistance) give us so much food that we haven't had to buy much food.

At Easter time we gave out Easter parcels which consisted of: frozen chicken, peas, gravy mix, potatoes and carrots. This was well received by our clients that we know that we had been led by God to do it.

Christmas time was very busy giving out Christmas parcels of frozen chicken, peas and tinned fruit to help out as a Christmas meal. A family has always recently supplied this food through the New World but the family didn't this year. Instead a \$1,000 gift came from another quarter! Thus the Christmas parcels continued.

It has been an honour for Val, Roger, Bob and I to give food to needy families in Porirua.

Thank you for supporting us and the Foodbank and please continue to support it.

Yours sincerely,

Diane Stuart
