Each element of the **Christingle** symbolises a part of the Christmas story. The Christingle time ends with children's party food. All by 7pm. **ALL WELCOME.**

## Leading Your Church into Growth LYCiG

### *Growing the Church the JESUS Way*

Any Christian course that begins with, and majors on, PRAYER will always get my (Terry's) attention. We call our House of Worship te Whare Karakia—the House of Prayer—and we seek always to be talking with God about how to move forward as individuals and as a community. **Prayer must always be first.**

The LYCiG course begins with a session on *Creating a Prayerful Culture of Growth* in which we are invited to notice what we think about, talk about and spend time on in our church meetings doing. So often it can be about building issues (ring a bell?), financial struggles or lack of volunteers! **However, when it is about prayer then a culture of prayer will emerge**, like a plant from a bulb.

Philip North, an English Bishop asks, *If you are not leading your church into growth, where are you leading it?* A Growth Mindset is about seeing possibilities in:

- \* Your situation
- \* Your people
- \* Yourself
- \* Your God

And believing that God will lead us into those possibilities. St Peter in his first Day of Pentecost sermon quoted from the prophet Joel, *In the last days it will be, God declares, that I will pour out my Spirit on all flesh, and your sons and daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams.* Acts 2:17. Read on and note what happened!

### Pope Francis puts it like this,

*Religious life ought to promote growth in the church by way of attraction. The church must be attractive. Wake up the world! Be witnesses of a different way of doing things, of acting, of living. How might we be more attractive?*

## PRAYER

Please pray and give thanks for:

- The decision to permanently continue Church life at Te Whare Karakia.
- The outcome of the recent General Election and implementation of decisions for the betterment of all people in Aotearoa New Zealand.
- For local political leaders, especially Barbara Edmonds, MP for Mana and Anita Baker, Porirua Mayor and those they lead and the people they represent.
- That emergency medical care may be maintained in Porirua, despite reports to the contrary.
- The relevance of Porirua Anglican life in eastern Porirua—that we may draw people to Christ this Christmas and into 2024—giving thanks for newcomers with us recently.
- ALPHA Course participants...

### What is Your Vision for Growth in the Porirua Anglican Community?

We have reached a natural turning point in our life together with the decision to permanently worship in te Whare Karakia. While we will discern together ways forward for GROWTH, we are so dependent on us each individually discerning and praying to God and searching the scriptures for God's plan for us. Please do feed back to Leaders ...

## Thoughts for Porirua Vestry and Anglicans

As I ponder what it means to have a growth mindset, I am convinced that by the end of 2024 fifty plus people will regularly worship in te Whare each week. Of course they won't all be there in the 10am worship service; te Whare is too small for that. However, it will happen in two, three or more meetings. Already we have a Friday noon service—10 people attended last week. And a Wednesday prayer meeting at 2pm—7 people attended last week. And for the last five weeks on Sunday morning our average attendance has been 16 people.

$$10 + 7 + 16 = 33$$

I believe that God is showing us the future is about attracting people to te Whare for meaningful encounter with God. In terms of the above target of 50 we are two thirds of the way there. How might we grow more?

- ♦ During five+ Sundays before Christmas Terry plans to **unpack more of the insights and wisdom from the LYCiG Conference**;
- ♦ **Our 8 Christmas & New Year gatherings** have been planned and are being advertised. I dare to believe that during these events we can reach 100+ people if we are proactive. A mail drop to the local area is planned.
- ♦ **Our Summer ALPHA Course begins 17 January.** Who will you invite to that? The target is outsiders NOT insiders, although we will need help with catering and hospitality: that's insider work. Please pray for 12+ new unchurched people to participate in this Course.

**PLEASE PRAY FERVENTLY AND SUPPORT THESE EFFORTS PRACTICALLY—Terry**

### Parish SGM (15 Oct.) UNANIMOUS DECISION

*"That Porirua Anglicans agree to continue worship, church life and administration at Te Whare Karakia, 49A Mungavin Ave, Porirua and we invite the Diocese of Wellington to discuss, and decide with us, the future of St. Anne's Church, 2 Ara-whata St, Porirua, with a view to it no longer being required for Parish Purposes."*

This decision has been sent to the Wellington Anglican Diocese for action in consultation with Porirua Anglicans.
